Examining Life's Little Wonders & Fears

This Sunday a long workshop with the Storyteller promises to surprise and delight us about life's little curiosities.

The content of the class depends entirely on our participation.

So come prepared with questions about life's wonders and be ready for some surprising answers.

This class will be the first to take place in Voorburg in 2012. The year 2012 has been the subject of a number of prophecies as well as many discussions with the Storyteller since the late eighties.

The class will be a great opportunity for us to find out more about the possibilities that await us in the years to come.

To learn more, join us in this interactive class with the Storyteller.
